EXPERIENCE & EXPERTISE

Dr. Iniyan Selvarajan is a distinguished academician, researcher, and energy expert with over 35 years of teaching and research experience in renewable energy, power systems, and sustainable technologies.

He served as Professor and Dean at the College of Engineering, Guindy, Anna University, Chennai, where he held several key leadership positions, including Director, Institute for Energy Studies and Director, Centre for University-Industry Collaboration. Throughout his academic career, he has played a pivotal role in advancing research, fostering industry collaboration, and promoting innovation in the field of energy.

Dr. Iniyan has led and completed several prestigious international collaborative research projects with institutions in Croatia, Italy, Australia, Israel, and the United Kingdom. He has also secured 12 major research projects funded by various Government agencies and has successfully guided 20 doctoral (Ph.D.) scholars, contributing significantly to the development of research talent in the energy sector.

An accomplished researcher, Dr. Iniyan has published over 300 research papers in reputed international peer-reviewed journals and national and international conference proceedings. In recognition of his outstanding research contributions, he received the Active Researcher Award 2015 from Anna University.

He also served as the Convener for the Kudankulam Nuclear Power Project, an assignment entrusted by the Government of Tamil Nadu, and has been an active member of numerous technical societies, Boards of Studies, Academic Councils, Governing Councils, and other professional and academic bodies.

As a Non-Executive, Independent Director of SWELECT Energy Systems Limited, Dr. Iniyan brings deep expertise in renewable energy, research and innovation, academia-industry collaboration, technology development, and strategic guidance, strengthening the Company's commitment to technological excellence and sustainable growth.
